

MACONDO

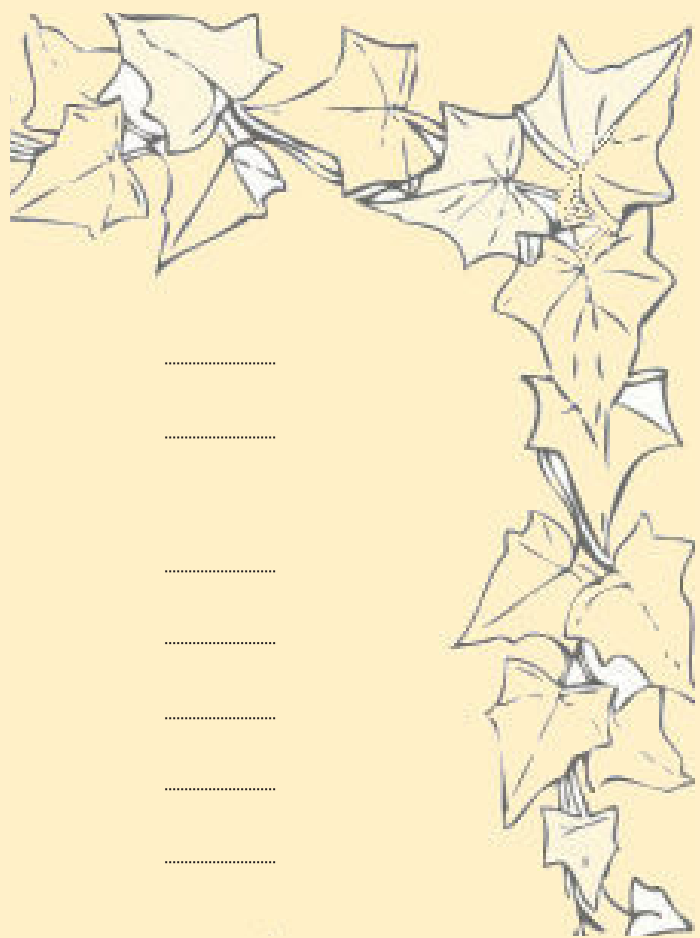

Mzuzu

...At that time Macondo was a village of twenty adobe houses, built on the bank of a river of clear water that ran along a bed of polished stones, which were white and enormous, like prehistoric eggs. The world was so recent that many things lacked names, and in order to indicate them it was necessary to point...

Menu

We do our best to prepare all our meal according to traditional italian home cooking. Sometimes you maybe facing a relatively lengthy wait us our meal are not precooked. Every morning we produce fresh home made pasta, we prepare all our sauces and bake the bread and grissini stick. Our kitchen use strictly olive oil and extra virgin olive oil
